

Invasive Species Control Activity Landowner Permission and Release Form

I, _____, do hereby agree to allow the Monroe County – Identify and Reduce Invasive Species (MC-IRIS) and/or its agents or volunteers to enter my property located at the address below for the purpose of controlling these invasive species:

_____.

I understand that controlling these species will include herbicide application done in accordance with applicable Indiana laws, regulations, and herbicide label instructions. Specific herbicides to be used are: _____

_____.

I agree I will not hold MC-IRIS and its employees, agents and volunteers responsible for any vegetative loss or other damage arising from the application of these chemicals on my property. I understand that this invasive species control is intended to benefit myself, my property, and my neighbors' property by reducing the spread of invasive species.
